ABOUT CREATIVE IMPRESSIONS

Since its inception in 1996, Creative Impressions has served over 800 youth and has developed into a choral music ensemble of excellence that continues to make an impact on the lives of those it touches. A performance group of distinction, our curriculum is designed to empower youth ages 11-18 through quality choral, civic and cultural experiences.

Besides developing the innate creative abilities of its members, Creative Impressions encourages its members to succeed in life. Through our Annual College/Audition Cultural Expansion Tour, we strive to provide scholarships to our graduating seniors. To date, our graduates have been awarded over **$400,000** in scholarships.

We seek to leverage our platform to encourage, educate, and empower our youth to become holistic adults, art ambassadors, and advocates in our communities.

Performance Highlights over the organization's 26 years of service include:

- 2002 National Youth Summit in Washington, D.C.
- National Youth Sports Program conference in Disney World in Orlando, Fl.
- Coca Cola's Pay-It-Forward Ceremony
- USA Presbyterian Church Self Development of Peoples General Assembly
- Collaborations with Preservation Hall Jazz Band, Wycliffe Gordon, and the Augusta Symphony

ABOUT BEHOLD THE STAR

Behold the Star is a high-energy, multifaceted Christmas Production that beautifully brings in the Christmas season for the Greater Augusta area. Traditionally held during the third week in December, it has been held as a highly anticipated fine arts show in the community. Behold the Star infuses traditional Christmas ballads with contemporary arrangements for an artistic experience that brings in the joy of Christmas for its audience. It also serves as a fundraiser for the organization, supporting the impactful programming of Creative Impressions. As the midpoint of the performance season, Behold the Star is utilized to assess the progression of Creative Impressions' young artists. This year marks the 26th Anniversary of Creative Impressions serving the youth of this community. Accordingly, Behold the Star will continue in the tradition of being one of the "best" student-led Christmas shows in the city.
